Once Again, Another New Tour!!

They don't ever end. This nine day adventure happens on both loose surface and paved roads through some of the most beautiful and diversified terrain in British Columbia. See vast fruit orchards, arid mining areas, rolling ranch terrain, summer holiday playgrounds, and remnants of the fabled Kettle Valley Railway. The first six days of this tour sees us riding the leg of the KVR from Penticton to Hope, then from Brookmere to Merritt.

Total distance is about 568km. We over-night in Penticton, Thirsk Lake, Princeton, near Brookmere, Coquihalla Lakes, Hope, Merritt, Douglas Lake Ranch, Okanagan Lake and Penticton. Along the way we see Okanagan Lake, the Coquihalla River and Canyon, Nicola Valley, and some of Canada's most expansive cattle operations.

The weather on this trip could be hot and sunny so bring your sun screen and sun glasses.

This trip is a nice sequel tour for the Club, after having done the KVR in 1992 from Beaverdell to Penticton.
